

IN THE SENATE OF THE UNITED STATES.

MARCH 15, 1880.—Ordered to be printed.

Mr. CALL, from the Committee on Pensions, submitted the following

REPORT:

[To accompany bill S. 975.]

*The Committee on Pensions, to whom was referred the bill S. 975, have examined the case, and respectfully report as follows :*

That the applicant, James O. McKenna, did not contract the disease of his eyes while in the line of duty, and that the alleged disability is not due to the applicant's military service, and that the testimony of the colonel of his regiment, the captain of his company, and the hospital and examining surgeons, together with the long and exhaustive investigation of the Pension Department, warrant this conclusion.

The committee, therefore, report adversely, and recommend that Senate bill 975 be indefinitely postponed.
